

Donations

Each year the demand on our Hospital to replace or buy the newest equipment and fund medical research grows, as do the number of children we care for. Over 200,000 treatments are given to children admitted to our Hospital, and through Emergency and Outpatients Clinics.

Without your support and the support of the community we could not continue to provide the care and expertise which our children, now, and in the future, are entitled to. Please give generously, we need your help to help us save and improve the quality of our children's lives.

Yes I want to help sick kids!
