## Sydney Children's Hospital Foundation

Independent Auditors Report  
For the Year Ended 30 June 2007

### Report on the Financial Statements

We have audited the abridged financial statements, comprising the Income Statement and Balance Sheet of Sydney Children's Hospital Foundation, for the financial year ended 30 June 2007.

### Directors' Responsibility for the Financial Statements

The Foundation's directors are responsible for the preparation and fair presentation of the abridged financial statements. The abridged financial statements are derived from the Foundation's full annual financial report. We have conducted an independent audit of the Foundation's full annual financial report in order to express an opinion on it to the members of the company.

### Auditor's Responsibility

Our responsibility is to express an opinion on the full annual financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards.

### Independence

In conducting our audit, we have complied with the Independence requirements of the Corporations Act 2001.

### Qualified Audit Opinion

In our audit report to the members on the full annual financial report, we expressed the qualified opinion that due to the cash nature of revenue of the Foundation and the controls surrounding the collection of revenue, we are unable to express an opinion as to whether revenue as reported is complete.

In our opinion, the information reported in the abridged financial statements is consistent with the full annual financial report from which it is derived and upon which we have expressed our audit opinion. For a better understanding of the scope of our audit, this report should be read in conjunction with our audit report on the full annual financial report. A copy of this may be obtained from Sydney Children's Hospital Foundation at: Locked Bag 5, Randwick NSW 2031.

*“The Hospital became our second home. Being far from home in Goulburn could have been so heartbreaking but everyone was so caring and supportive. Thanks to all the wonderful specialists for the outstanding care.”*

said Angela, Matthew's mother.
